To Whom It May Concern:

We are writing this letter of support on behalf of the Soundworks Chorus who recently performed the National Anthem at a VCU Men's basketball game. The group performed in front of a sell-out crowd on Saturday, February 20 at the VCU-Akron game and received a warm reaction from the audience.

At the beginning of January, we contacted their VP for Marketing in hopes of having Soundworks perform the Nation Anthem at one of the final home games at Stuart C. Siegel Center. We remained in contact with the chorus throughout the month leading up to the performance in order to finalize arrival and ticket details. The chorus members on time and everyone was prepared to walk out onto the court when called upon.

We were very appreciative to have Soundworks perform at the game. Their contact made sure he was available for any questions and was very flexible when it came to having to make last minute adjustments. Their attention to detail and punctuality made their performance a very enjoyable experience and we would love to have the group perform in the future.

Sincerely,

Keith Rafter
